EXCITING NEWS!

Please join Motor City POCI in supporting the

Joe Kocur Foundation for Children!

The **Joe Kocur Foundation for Children** has been assisting children's organizations, non-profits and local families in need by developing fund-raising events that are both family friendly and provide for an opportunity to interact with others in the community that value the spirit of giving. Since the formation, the foundation has assisted local charities with the primary goal of focusing on families that need assistance either by financial means or logistical support.

NEW THIS YEAR!

Please join Motor City POCI in supporting the

ChadTough Defeat DIPG Foundation!

The foundation is fueled by parents committed to changing the outcome for future families facing a pediatric brain cancer diagnosis, especially DIPG (Diffuse Intrinsic Pontine Glioma is a brain tumor), in honor of their children. The Carrs and Mosiers both had lost their sons, 5-year old **Chad** and 6-year old **Michael** to this horrible disease.

While the survival rate for DIPG is still nearly 0%, doctors now believe a cure for DIPG is within reach. The ChadTough Defeat DIPG Foundation will continue to be a part of this fight until DIPG is no longer a death sentence.
